

## ACORN Supplier Discount Program: Participating Suppliers

ACORN Producer and Influencer level members are entitled to receive special offers and discounts from participating suppliers listed below.

How it works: as an active Producer and Influencer member, your name and/or Farm name will appear on a confidential membership list accessible only to these suppliers. Please note that no other contact information (such as phone or email) will be shared with participating suppliers. Do you have suggestions for a supplier you'd like to see on the list?

Email us at [development@acornorganic.org](mailto:development@acornorganic.org) to share your ideas.
